Subject: [Non-DoD Source] NECEC - EPA contact

Dear Jay,

I received a phone call from Kevin Cassidy with the Earthrise Law Center at Lewis & Clark University. He is based in Massachusetts and is representing the Sierra Club. He had some questions about the DOE process, which I answered. He also asked for a point of contact at EPA. I know that there are several folks involved and am not sure who the main POC is. Please follow-up with him and provide him with contact info. for someone at EPA. His email address is: cassidy@lclark.edu <mailto:cassidy@lclark.edu> . His phone is: 781-659-1696. Could you please either copy me or let me know that you've connected him with EPA. Here is some more info:

Thanks very much.
